

ROLE: 2D FX Artists

Immediate Start.

Passion Animation Studios is recruiting for an experienced 2D FX Artist on *101 Dalmatian Street*, a new 2D animated 11' comedy series for children (6+) and their families.

Based in our central London studio, the FX Artist will work closely with the Art Director and Animation Director to deliver high-quality FX animations. The FX Artist will also work with the Animation Director and be a creative point of contact for the overseas animation studio.

Key responsibilities:

- Demonstrate a broad range of hand drawn 2D FX abilities in a collaborative environment
- Create natural and stylised effects (ie. water, smoke, dust, lightning, bubbles, fire, storms, shadows, smears, explosions, etc) which contribute to the scene and story.
- Maintain and communicate a strong knowledge of innovative FX animation technologies
- Actively participate in team/department meetings both in-house and with overseas animation studio.

Required skills and experience:

- Strong visual and creative flair
- Strong knowledge of 2D animation principles
- Ability to multi-task and prioritise in a fast-paced production environment
- Ability to work calmly under pressure and to tight deadlines
- Experience of Toon Boom Harmony.

Please send CVs and portfolio links to: jobs@passion-pictures.com

Many Thanks,

Passion Recruitment
